**Ramadan 2025 Impact Report**  
**- 14 Water Tube Wells Completed**

A young boy with wet hair and a joyful expression is splashing water. He is wearing a yellow t-shirt. In the background, another child is visible, slightly out of focus. The scene is set outdoors with green foliage and bright sunlight, creating a warm and happy atmosphere.

**In Ramadan's spirit,  
your support reached  
approximately 500 lives.**

Assalamu Alaikum Wa Rahmatullahi  
Wa Barakatuh,

Alhamdulillah, with your generosity during Ramadan 2025, Sadaqah Aid Foundation has successfully completed the installation of 14 water tube wells across various villages in Sylhet, Bangladesh.

Your kindness has brought the blessing of clean and safe drinking water to approximately 500 individuals — families who previously struggled every single day to access one of life's most basic necessities.

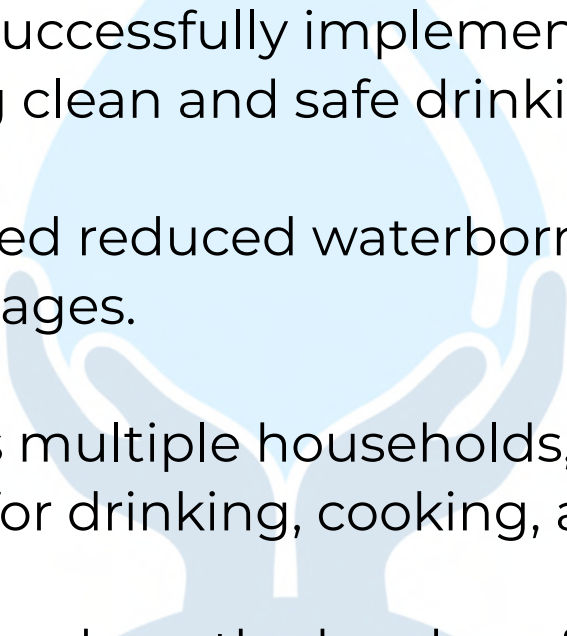

May Allah accept all of your efforts.

# RAMADAN 2025 IMPACT SUMMARY

This Ramadan, your generosity touched hundreds of lives across Bangladesh. Here's how we made an impact together.

- Since January 2025, we have successfully implemented 14 new water tube wells in rural Bangladesh, providing clean and safe drinking water to families.
  - Our new tube wells have helped reduced waterborne diseases, improving health outcomes for entire villages.
  - Each water well now supports multiple households, offering safe, reliable, and nearby access to clean water for drinking, cooking, and sanitation.
  - Women and children, who often bear the burden of fetching water, now spend less time traveling and have more opportunities for education and work.
- 

# TRANSFORMING LIVES WITH EVERY DROP

Before these wells were built, villagers often had to:

- Walk long distances to fetch water, often from unsafe ponds or rivers.
- Risk illnesses like cholera, typhoid, and diarrhea due to contaminated water.
- Spend valuable time each day collecting water instead of attending school or earning a living.

Now, thanks to your donations:

- Clean water is just a few steps away from their homes.
- Children can attend school without the daily burden of fetching water.
- Mothers can care for their families with ease and dignity.
- Communities are healthier, stronger, and filled with renewed hope.

This is not just water — this is life, education, health, and opportunity.

May Allah (SWT) reward you immensely for every sip they take. Ameen.

# DROP OF HOPE

This Ramadan 2025, we turned faith into action. In **Domar, Nilphamari District, Rangpur, Bangladesh**, new water tube wells now bring clean water and renewed hope to families in need. Together, we're not just changing lives, we're building a legacy of compassion!

# A SADAQAH THAT KEEPS REWARDING

- Every time a child drinks safely,
- Every time a mother prepares food,
- Every time a family performs wudu for Salah -

**YOU ARE** PART OF THEIR  
**BLESSINGS**

Your donation isn't just a well — it's a Sadaqah Jariyah, a gift that will benefit generations to come, in sha'Allah.

# WHAT'S NEXT?

In sha'Allah, with your continued support, we aim to:

- Organise medical camps to provide essential healthcare.
- Invest in education by providing school supplies and learning opportunities.
- Expand food distribution projects.
- Build more wells across deprived areas of Bangladesh.
- Construct safe and sturdy homes for vulnerable families.
